Jordan Extension (3Days/ 2 Nights)

Day 1- Departure from Tel Aviv & Jerusalem to the border. After border crossing procedures enter in Jordan and proceed to Jerash – city of the Decapolis – located about 45 km. north of Amman in the fertile heights of the Gilead. Visit the ancient Roman city with colonnaded streets, the baths and the hilltop temple, then drive to Amman - the capital of Jordan. After a short orientation tour viewing the various landmarks of the city drive to the hotel for overnight.

Day 2- After an early breakfast, leave the hotel and travel south on the road to Wadi Musa. Take a horse ride from the Visitors' Centre to the entrance of the dramatic "Siq" (Canyon), then walk through it to Petra - known as the red rock city – the ancient capital of the Nabateans from the 3rd century BC to the 2nd century AC. Visit the most interesting carved monuments, such as the Treasury (El Khazneh – the tomb of a Nabatean king), then the field of tombs, obelisks and the altar (Al Mashbah). From this point you can view the whole of the rock city. Then back to Wadi Musa village and drive back to Amman for overnight.

Day 3- After breakfast leave the hotel. Drive to Madaba to see the ancient mosaic map of the Holyland and the ruins of the historical site. Continue about 10 km. to Mount Nebo, from where Moses viewed the Promised Land. From there you will see the Jordan Valley, Jericho and the Dead Sea. Visit the remains of a Byzantine church with a mosaic floor, then drive to the border and back to Jerusalem & Tel Aviv.
